

## **'Created in God's Image: Everything is Connected'**

Sunday 16 September, 2:30pm to 4pm at Salisbury Methodist Church.

Two dynamic speakers join forces for a national tour stopping in Salisbury for a free afternoon of entertainment. A lively discussion about identity, justice, and peace: pull just one strand in our world and see how deeply it is connected to many others. In this entertaining and insightful presentation, Ruth Wilde and Peterson Toscano join forces to reveal strange and often unseen connections in the world. Drawing on ancient stories, comedy, and insights from their travels, they weave together a tapestry that covers identity, LGBTQ issues, climate change, justice, peace, and much much more.

A retiring offering will be collected to support the work of Inclusive Church UK and the Three City Churches of Salisbury.
