## **Ephesians**

On Sundays from July 15<sup>th</sup> to August 26<sup>th</sup> the sermons at both All Saints and St. George's will focus on the letter to the Ephesians.

The letter is found in the New Testament and was probably written with the intention of being read in church gatherings and for teaching. It will be good to hear the letter read in our churches over the next couple of months to listen together to what God is saying through it to our community today.

For those interested there are copies of the readings during this Sermon series available in the churches today.
