## **Thy Kingdom Come**

Thy Kingdom Come is a global prayer movement that invites Christians around the world to pray between Ascension Day (21 May) and Pentecost (31 May) for more people to come to know Jesus.

*Daily Prayer for Thy Kingdom Come* is a great way to set up regular, daily patterns of prayer to hold these people in prayer – whether you are doing so on your own, as a household, or joining with a small group virtually.

You should all have received a copy of Revd Becky's guide with short readings and prayers for these 10 days. (If not a copy is available on the parish website)

Another option is to download the "Thy Kingdom Come" app from Church Publishing using the following link:

### **Series of Evening Service of Compline**

Revd Julian has recorded the night time service of Compline, singing the plainsong settings. Three versions with different psalms, prayers and readings available. The visuals are definitely 'slow' watching to get the restful, timeless evening feel. Can you identify where in Harnham it is? You might like to just close your eyes and listen or join in once the music is familiar

### **Carradine's Cockney Sing-a-long**

Something a little different to try during this lockdown. On Thursday evenings 8.30-9.30pm, Tom Carradine leads a cockney sing-a-long from his home. Tom usually sings in London pubs or Old Time Music Hall settings and whilst unable to do so at present, is dressing to character and singing from his home. If you fancy singing along to old cockney favourites, songs from Mary Poppins, War Songs, Beatles, Abba and more, why not click on the link below and join in. <https://www.carradinescockneysingalong.co.uk/events>

**Revd Julian** and members of his family have been recording some music in lockdown. He's hoping to incorporate some of this in future material in services on the parish channel. Alice also contributed to the online Bach St John Passion in Isolation with the Oxford Bach Sololists, recording her violin part in glorious isolation here for it then to be sewn together with players and singers from around the world. Moving to watch such a great religious piece and creativity on youtube.

### **Greetings from David and Katharine Callard!**

"We are almost busier than we were before Lockdown! The garden has never looked so immaculate. All the dark cupboards are spring cleaned. We have made loads of Christmas Cards for sale. And David has been urged by younger family members to write his Life Story. So he has begun and has reached 1957! So still some way to go before Lockdown is over!"
