Harnham Free Church was founded over thirty years ago by a group of local Christian people as an independent free church. A free church is organised locally by its members, not directed by any national or international organisation.

Our beliefs and practices are based on the Bible, and in particular the teachings of Jesus and the first Christians, as recorded in the New Testament. We meet to worship God, learn more about Christian faith and to enjoy one another's company.

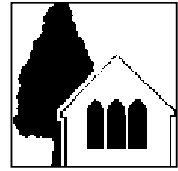

The church leadership is appointed from the membership of about thirty adults. Well over two hundred individuals each week are involved in the various activities run by the church.

Our present building, originally the chapel to the Salisbury Workhouse, was purchased in 1980 and extended in 1988 to include a main hall, vestry, kitchen and toilet facilities. A church office and disabled toilet facilities have been added since.

All are welcome to attend these activities, and we would be pleased to receive any requests for assistance from members of our local community. Please get in touch for more information, or if we can help in any way.

The church building is located at 15/16 Hawks Ridge, Ridings Mead, SP2 8ER.
