Whilst out walking **Bee Laws** saw a notice outside the Harnham Old Mill pub which says, to customers 'No vertical drinking'. She is wondering if this implies that people who have been going there, prior to the latest lockdown, have been 'horizontal'? !

Good Morning All ,

How I am missing my Church Family and I am sure that you are also missing Church especially approaching the lovely Season of Advent and Christmas. Everyday I look at the words and it is words of comfort to me.

I did get to go away to The Isle of Wight with the family to celebrate my husband Miles 70th birthday which was an absolute blessing. We went to go on lots of walks played cards and the Salisbury version of Monopoly which was great fun. We were also upgraded to a lodge with a hot tub again great fun . My lovely Mum is doing very well I thank The Lord for the blessing of my Sister Kathryn who lives with Mum. Kathryn is so

kind and caring. Thinking of you all God Bless you all the Best of Wishes.
