Harnham Community Christmas

Harnham Community and Churches are spreading comfort and joy through a "Harnham Nativity Drive Around" on 20th December. We would love you to be part of this adventure - we want the whole community involved in a safe way.

There are many things you can do to help:

- maybe you could make a scarecrow nativity character for scenes around Harnham (adult size) We need lots of angels, wise men (or women!) shepherds, inn keeper and wife, Mary, Joseph etc.
- an angel to hang outside All Saints (adult size).
- make stars and angels to hang in your window or in your garden for people to enjoy throughout December.
- contribute any old cans of paint for the background scenery which will be painted on sheets.

Please see the November issue of the Parish Magazine for more information and ideas. If you have any questions please call the parish office 07925 108856.

GOOD NEWS

I would love to know what you have been doing to keep busy, what you have observed over the past weeks, and anything that made you smile. I look forward to hearing from you either by calling 07925 108856 or emailing harnhamparish@btinternet.com
Linda Baker.

Enormous gratitude to all who braved the storms to support the card sale and cake stall last Saturday. £515 was raised for the Sudan Medical Link and £237 for the Salisbury Women's Refuge. Both wonderful totals that were much needed for these charities.

Our thanks to **Katherine and David Callard** and the team of cardmakers, cake makers and sellers who contributed to this success.

Ideas to keep you busy

- Phone a friend – it's always good to talk.
- If you like making things, we would love some help making adult size scarecrows in Nativity characters, or an adult size angel in any means to hang outside of All Saints. Maybe you would prefer to make something smaller. Why not make some stars and angels to hang in your window or garden for December.
- Drop Linda a line, to say what you been doing to keep busy, so she can include it in the notices. There are many who haven't been able to attend church regularly and are missing news on their friends.
- Wrap up warm and take a walk, or simply sit outside and enjoy the environment.
- Make yourself an advent calendar or advent wreath.
- Learn a new skill.

David and Diana Curzon watched their daughter Lizzie marry Will at St George's on Tuesday 3rd November. They were delighted that Revd Becky was able to bring the date forward so it could take place before lockdown.
