THANK YOU!

A huge thank you to all who so kindly gave their time in helping with this year's Christian Aid Week in terms of distributing envelopes and acting as drop-off points for donations, and of course to everyone who made a gift. In Harnham we managed to raise £2,034 from cash donations (in addition there will have been donations on-line using the QR code), which with the boost from Gift Aid takes it to £2,414; such an encouraging and inspiring amount which will be of immense value to the charity's work in Guatemala and countless other affected regions around the world. It is hoped the full amount raised in Salisbury as a whole this year will be confirmed in time to be published in July's Parish Magazine. Tim Clayden.
