October is Black History Month. This Sunday, as we remember Saint Francis of Assisi, we also remember Servant of God, Mary Thea Bowman. She was a Franciscan Sister of Perpetual Adoration and the first African American woman to address the U.S. bishops' Conference. "Arguably no person in recent memory did more to resist and transform the sad legacy of segregation and racism in the Catholic Church than Thea Bowman ... who inspired millions with her singing and message of God's love for all races and faiths. Sister Thea awakened a sense of fellowship in people both within and well beyond the Catholic world, first and foremost through her charismatic presence."
