**Join the song of praise and protest.
For the nations of the earth.
God who loves the poor and humble
Sings of dignity and worth.
Those the world has long rejected
Take at last their rightful place
Sharing in the song of Mary
Filled with unexpected grace.**

**God has rocked the earth's foundations
Turned its values upside down.
Strength is overcome with weakness
And the humble wear the crown.
Now the pow'r of God in action
Undermines the nation's pride,
Lifts the poor and feeds the hungry
Pushing rich and proud aside.**

**Join the song of praise and protest
As the voiceless find a voice
As the powerless rise triumphant
And the broken hearts rejoice!
Now the God of all creation
Rights the long accepted wrongs
Let the voices of the nations
Swell the liberation song!**
