Candles for Ukraine –
a project run by
Swindon Humanitarian Aid Project.

Do you have any unwanted candle wax at home?
Do you have any new and used candles?

Please bring them so they can be reused to support Ukraine via the SHAP project.
Just place them in the box in All Saints' Church.

These will be delivered to SHAP's warehouse in Swindon, where they will be melted down and made into new lights and wax tin heat sources. These are then dispatched to charities in Ukraine.

Sunday 31 January eight LGBTQI+ chaplains are to be licenced for the Diocese, at the cathedral's evensong.

This chaplaincy fully accepts and affirms LGBTQIA+ people, their loved ones, friends, and family. It is a supportive resource for the LGBTQIA+ community, plus individuals and churches who wish to be inclusive. The Chaplaincy offers confidential, non-judgemental spiritual and pastoral care to LGBTQIA+ Christians and those exploring faith. We also offer resources on LGBTQIA+ inclusion for churches and individuals, and aim to provide a voice from the LGBTQIA+ community to the diocese in its decision making. We are also exploring how best we might support gay clergy & office holders in the diocese.
